ENCOUNTER SCHOOL OF MINISTRY

At a time when the whole Church is being called by the Spirit to new ways of mission, the Encounter School of Ministry points to discipleship as the ground of ministry and mission, a true discipleship born of the encounter with the Lord crucified and risen. Because it offers formation for mission which is both visionary and practical, I welcome the Encounter School of Ministry to the Archdiocese of Brisbane, praying that it will help kindle the Spirit's fire which Jesus comes to set upon the earth.
